500 Pearl St.
New York, NY 10007-1312

Date: September 3, 2024
New York, New York

Mary Kay Vyskocil
United States District Judge

In light of the parties' letters [ECF Nos. 27, 28, 29], Respondent's Motion to Dismiss or in the Alternative to Stay [ECF Nos. 20, 21] is DENIED as moot without prejudice to renewal if the parties are unable to resolve this matter. The parties shall file a joint status letter on September 16, 2024. The Clerk of Court respectfully is directed to terminate the motion at docket number 20.

**Re: Dunor Energía S.A.P.I. de C.V. v. Comisión Federal de Electricidad,
No. 1:22-cv-10584: Petitioner's Notice of Supplemental Authority**

Dear Judge Vyskocil:

Pursuant to Rule 2.B of this Court's Individual Rules of Practice in Civil Cases, Respondent *Comisión Federal de Electricidad* ("CFE") respectfully submits this letter in response to Petitioner's Notice of Supplemental Authority (Dkt. 27).

In Respondent's Motion to Dismiss or in the Alternative, Motion to Stay (Dkt. 21), CFE requested that this Court dismiss Dunor's Second Amended Petition to Recognize and Enforce Foreign Arbitral Award (the "Petition") (Dkt. 19) on grounds of *forum non conveniens*, or alternatively, that it stay the proceedings pending resolution of the Mexican annulment proceedings. As Respondents noted, "the decision of the Mexican court will either vacate the award, leaving this Court with nothing to recognize and enforce, or confirm the award, thereby mooting the need for this Court to confirm the award" (Dkt. 21 at 23).

On May 27, 2024, the Mexican court rejected CFE's annulment request and ordered enforcement of the Award (*see* Dkt. 27-1). CFE does not plan to pursue any further challenges to the Award, and intends to pay the Award in full. We anticipate that the parties will agree to dismiss Dunor's Petition upon satisfaction of the award. Accordingly, Respondent does not believe that any further action from the Court is needed at this time.

Respectfully Submitted,

/s/ Aidan Synnott
